Original Question/ Topic from Interviewer: Conversation with Gandhi

Session 45: The Gandhi Cluster

Short Summary: Gandhi as the messenger

- Gandhi speaks about students, moving energies to increase awareness. Information is transferred when individuals are at the same vibration level. Similar energies group together
- Will you be preparing additional students to incarnate on Earth?
- About Gandhi's last life on Earth , Thinking about Gandhi does not trap me on the Earth.
- Main teaching of Gandhi is about oneness.
- Fasting as a way of change.
- Do we all come from the same source? Ans, We are not all at the same level of development.
- Is there a level where the soul would not return on Earth? Ans. Yes. Souls have trepidation about returning to the Earth; more than the fear of death.
- Reason for reincarnation is it is an addiction to emotion? Ans. The concept of love is stronger in the higher levels. Sexual addiction is a greater likelihood.
- Comments from Gandhi about New age. Science should merge to a holistic approach. The body is within the soul. Big bang. A way of thinking that is universal. There are too many special interest groups that are on the wrong track.
- Big Bang Theory, Conscious was created at the same time. Continuous creation of heavenly bodies,? There is a changing of the creation but not a total new creation. Parts of the universe are expanding? Ans. No this is a mater of perception.
- The universe is a constant. The purpose is so that the God force could reflect back upon itself. Are humans increasing in awareness? There is more outside the body.
